Join us for a marathon day of speakers and meetings. Unity Day is an opportunity for the New Jersey OAers to share their strength, experience and hope with each other. The day brings the focus back to what draws us together, that we share a common peril and have a common solution to be gained through working the 12 Steps.

At 2:30pm members will pause in the day and join hands in an expression of unity and to reaffirm the strength inherent in OA's worldwide unity.

Join us, bring a friend. All are welcome!
